Flying Fee – Free just come and have fun!

The Muncy Indoor Flyers would like to invite you to a weekend of fun and flying. This get together is to bring R/C Clubs together so we can communicate better. It will be a weekend of flying and fun just hanging out with people who have a common interest in R/C modeling. All flyers must have AMA insurance.

This is an outdoor flying field so nitro, gas and electric are all welcome. Indoor flyers can see the larger aircraft in action and the electric flyers can show us their stuff if the wind is light.
